

TINT PACKS

for Solvent-based Acrylic Sealers

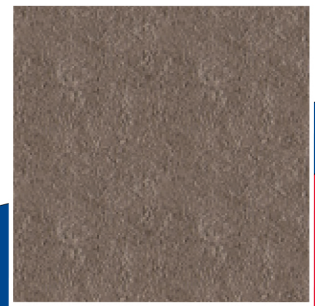

Tile Red

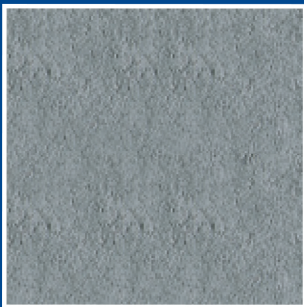

Charcoal

Adobe Buff

Autumn

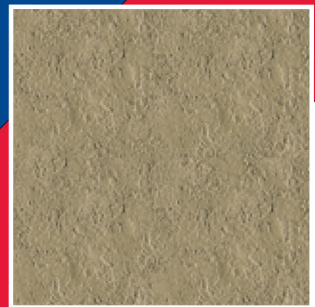

Storm Gray

Khaki

Fiesta

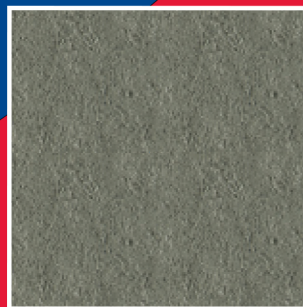

Sandstone

White

Desert Tan

Slate

Brunette

EAGLE TINT PACKS are tint additives for solvent-based acrylic sealers. EAGLE TINT PACKS turn a clear sealer into a semi-transparent tinted sealer. Semi-transparent sealers are a great way to shift the color of your concrete without losing the natural character of the concrete.
